Experience

Intercollegiate Fiance Journal (IFJ) · 2019

I strive to blend knowledge and experience with a touch of fun to make business and finance more accessible for students across all disciplines. My position is a graphic designer in charge of the layout of the articles.

The Brown Daily Herald · 2019

The mission is to inform, entertain and reflect the community at Brown University by producing relevant and engaging content across a variety of platforms. I am in charge of the layout of the daily articles.

Post-Magazine · 2019

Post Magazine is dedicated to serving the dynamic segment of topics easily accessible to students through online platform. I am in charge of illustration for weekly magazine issues.

Korea Design Exhibition · 2018

Korea Design Exhibition is an annually held competition which people in any age including students and professionals can participate. I was selected as the finalist in the category of communication/application design. I designed a medical app called "CheckUp" for patients with mental disorders.

Korea Energy Agency Poster Design · 2018

I received Excellence award for a poster for Korea Energy Agency I designed. This summer in Korea recorded the highest temperature and humidity. I aimed to raise public awareness of energy loss in South Korea due to excessive use of electronic appliances in summer.
