Experience

Lemlem · 2019

As a Product Design intern, I assist in creating brand identity with online banners, packaging, and image representation. I pursue marketing strategy by taking customer experience and insights into consideration.

Intercollegiate Finance Journal (IFJ) · 2019

I strive to blend knowledge and experience with a touch of fun to make business and finance more accessible for students across all disciplines.

My position is a graphic designer in charge of the layout of the articles.

RISD Global Design Assistant · 2019

My task is to organize the contents on RISD Global website, create posters to inform the study abroad programs RISD provides to students, and manage social media to promote events.

Hack@Brown Graphic Designer · 2019

For Brown Hackathon, I am given the task to create graphic design elements to create the team identity.

Korea Energy Agency Poster Design · 2018

I received Excellence award for a poster for Korea Energy Agency I designed. This summer in Korea recorded the highest temperature and humidity. I aimed to raise public awareness of energy loss in South Korea due to excessive use of electronic appliances in summer.
